

Protect your retirement savings from future market dips. An Allianz annuity can help.

With Allianz fixed index annuities, an unpredictable market isn't so intimidating.

Allianz fixed index annuities allow you to manage risk while you take advantage of opportunities. With an Allianz fixed index annuity, you can:

- Protect your principal from market fluctuations
- Take advantage of potential growth from indexed interest
- Benefit from tax deferral

Allianz fixed index annuities also offer guaranteed minimum interest rates, the option for lifetime income, and more!

Annuities are subject to surrender charges, which could result in a loss of principal and credited interest if the contract is surrendered prematurely. Guarantees are backed by the financial strength and claims-paying ability of Allianz Life Insurance Company of North America.
